

Farm Recording

**SC-IDEAL-MG-RFA-2019-01: “Using podcasts
as part of a collaborative learning approach
to bring about social behaviour change
within the farming communities of
Karamoja - a pilot study”**

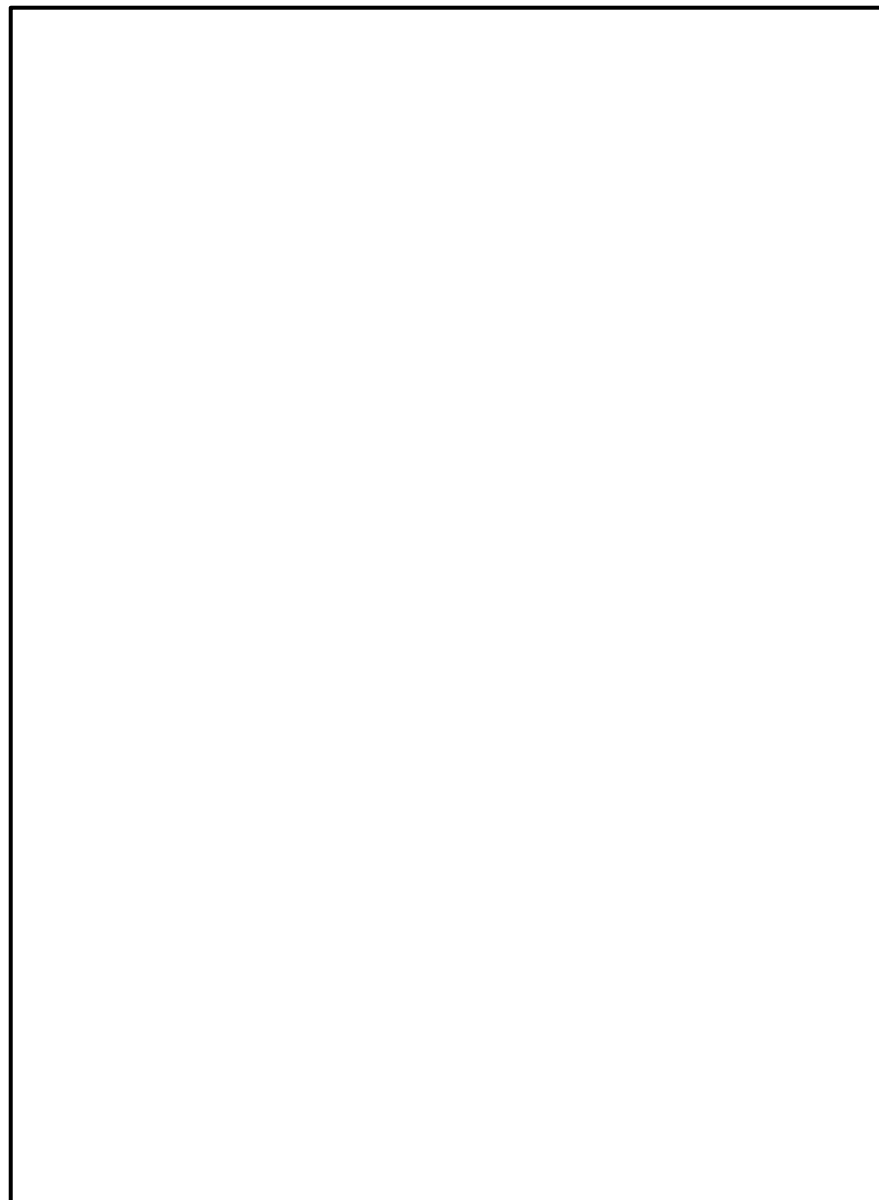

This farm recording book is part of the learning materials developed for this project.

For further details and resources visit

www.agritechtalk.org

This project was made possible by a grant from The Implementer-Led Design, Evidence, Analysis and Learning (IDEAL) Activity. The IDEAL Small Grants Program is made possible by the generous support and contribution of the American people through the United States Agency for International Development (USAID). The contents of the materials produced through the IDEAL Small Grants Program do not necessarily reflect the views of IDEAL, USAID, or the United States Government.
